

GOVERNOR JOSH SHAPIRO

June 26, 2025

Victim Services Center of Montgomery County, Inc.
Norristown, Pennsylvania

Greetings:

It is my pleasure to recognize the 50th anniversary of the Victim Services Center of Montgomery County (VSC), and to express my gratitude for receiving the VSC Leadership Award.

It is vitally important that those who are victims of sexual violence and other crimes receive the assistance, service, and counseling that is required for them to heal and regain control of their day-to-day lives. That assistance can range from medical to legal to therapeutic, and it ultimately results in a holistic approach where crime victims feel the strength of the support system that VSC provides. Importantly, VSC's reach also stretches to educational prevention programs that promote awareness and risk reduction. Presentations to schools, colleges, senior centers, and law enforcement professionals ensure that the local community is aware of prevention tactics for a variety of crimes and can better support vulnerable folks. I wish to extend my appreciation for the hard work of everyone involved with VSC, and I am confident it will continue to provide quality services for many years to come.

As Governor, it is my honor to recognize the 50th anniversary of the Victim Services Center of Montgomery County and to accept the VSC Leadership Award. Please accept my best wishes for continued success.

GIVEN under my hand and the Seal of the Governor, at the City of Harrisburg, this twenty-sixth day of June two thousand twenty-five, the year of the Commonwealth the two hundred forty-ninth.

A blue ink signature of Governor Josh Shapiro.
