

#MontCoBelieves

WE HAVE TAKEN THE START BY BELIEVING PLEDGE.

This means

- We start by believing in the strength of a connected community.
- We believe in our ability to stop harm, abuse and violence before it happens.
- We believe we can be brave enough to do what's right.

NEED TO TALK? 888.521.0983

24-hour crisis hotline for survivors
and loved ones
Free, confidential counseling,
advocacy, and more
